Ok.  
We have a bar in the downtown district that has a game that we have been testing for a year without any problems.  
Not sure what will happen with a c-store in the city limits.  
We have tried to stay away from city limits with Casinos.  
If you want to test it, we should look at maybe starting with 1 and see what happens.

Thanks,

I have not looked at the address yet. Is it St. Charles city or is it in the outside city limits in the unincorporated county?
